## PROFESSIONAL EXPERIENCE

Community Pharmacist – D'midas Touch Pharmacy Limited, Lagos, Nigeria | Jun 2025 – Present  
- Conduct patient consultations, advising on medications, adherence, and when to refer to physicians.  
- Administer injections, treat minor wounds, dispense medications, and monitor blood pressure.  
- Manage inventory: daily card entries, stock checks, expired/near-expiry tracking using FIFO policy.  
- Enhanced efficiency and teamwork, fostering a positive environment and better patient care.  
Pharmacist Volunteer – Maxcare Community Pharmacy | Mar–Apr 2025  
- Delivered patient-centered consultations, medication advice, and counseling for adherence.  
- Supported prescription verification, dispensing, and stock management.  
- Promoted health literacy and improved patient trust in community care.  
Hospital Pharmacy Intern – Ospital Ng Maynila | Jul 2018–Jun 2019  
- Participated in clinical rounds, patient medication counseling, reconciliation, and discharge planning.  
Community Pharmacy Intern – Generika Pharmacy | Jun 2017–Jul 2018  
- Advised patients on OTC/prescription use and conducted health awareness campaigns.  
Manufacturing Pharmacy Intern – Drug Makers Laboratory | Jun 2019–May 2020  
- Ensured GMP compliance, participated in QA audits, and documented SOPs.  
Digital Health Entrepreneur – NvisionU (Remote) | Apr 2022–Oct 2024  
- Led digital teams, creating health education content and promoting community wellness.
